## Important Announcement:

The library has been solely operated by dedicated volunteers. Because of the shortage of volunteers and other resources, beginning January 1, 2012, the library will no longer offer the service to receive and transfer fund for designated uses; for example, the donations designated to reprinting of sutras and freeing captured lives, etc.

For all donations received, the library will determine where and how the funds will be used. It will still be 100% applied to the various programs that have been sponsored by the library over the years on propagating of Dharma and protecting lives. These include, but are not limited to: temple maintenance and operation, acquiring and reprinting of dharma materials, freeing captured animals, making and shipping Buddha statues, and emergency relief and charity.
